

IELTS

The International English Language Testing System (IELTS) is the world's most popular English language proficiency test for higher education and global migration, with over 3.5 million tests taken in 2019. IELTS lets you select the best Colleges, Universities and academic programs globally. A higher IELTS score increases your chances of obtaining the visa tremendously. IELTS has been developed by some of the world's leading language assessment experts and tests the full range of English skills needed for success in your new job or study placement abroad. The test score is valid for 2 years from the date of the test.

IELTS REGULAR LIVE LECTURE FEATURES

This lecture series is designed for IELTS test takers of all levels. The individual sections/complete sections for the three modules in the study material are suitable for skill building, and for efficiency in accuracy and time management, both of which are essential for a good score. A new topic is taken each week to deal with the related question types. No part of the lectures / content is carried forward, hence students can cope with the lecture content without any backlogs.

Regional Lectures in this series are designed for IELTS test takers who are more comfortable in their mother tongue for a better understanding of IELTS.

Saturday Doubt solving sessions: ● General doubts about the IELTS ● Doubts related to the week's content
